The Chairman of the R. R. Committee

To the Council of the City of Wheeling : By a resolution of your body, passed some time since, the Committee on Rail Roads was instructed to employ a competent engineer to make a survey and estimate for a railroad bridge survey and estimate for a railroad bridge across the Ohio river within the city limits. By the kindness of Mr. McCullough the committee was enabled to secure the services of Mr. Linton, the Engineer of the C. & P. R. R. Co.—He made a survey and furnished the accompanying estimate for a bridge from a point a short distance north of Crawford's Mill, across the Island to the bank as West'street, in the First Ward. The committee paid \$70 to the party accompanying Mr. Linton, but Mr. Linton himself charged, nothing for his services, as he was sent by Mr. McCullough to make the survey. The \$70 paid by the committee was for hotel bills and the party see of an assistant surveyor, rod-

the services of an assistant surveyor, rod man, and an axeman. G. BARD, Chairman of Railroad Committee. Dr. G. Baird, Chairman of Committee v Railroad Bridge, Wheeling:
